

Switch Mounting Accessories

MIL-BRSW, MIL-BRSM801W, MIL-RMS801

- Flexibility in design and deployment
- Securely fasten to wall or desk
- 19" rack mount options

The MiLAN range of switches have the power and design to operate in multiple environments. As a desktop switch, as a workgroup switch or as a departmental switch, the MIL-SM800, MIL-S800 and MIL-S500 series of switches offer a powerful solution set. In order to meet the various operating environments, the products have been designed to accommodate various accessories, allowing for wall mount or rack mounting of the devices.
